多选题

Q1. *Your marketing department needs an easy way for users to share items more appropriately. They want to easily link-share Drive files within the marketing department, without sharing them with your entire company. What should you do to full fill this request? (Choose two.)* A. Create a shared drive that's shared internally organization-wide. B. Update Drive sharing for the marketing department to restrict to internal. **C. Create a shared drive for internal marketing use.** D. Update the link sharing default to the marketing team when creating a document. **E. In the admin panel Drive settings, create a target audience that has all of marketing as members.**

A选项显然是超范围共享，B只是Internal,但没有限定在市场部内,C是对的,D的话显然太费事,E是符合要求的。
